YOU DESERVE AFFORDABLE, HIGH QUALITY HEALTHCARE.

Direct Family Healthcare, LLC is a new model of healthcare called Direct Primary Care (DPC).

This approach to healthcare:
- Offers direct personal access to your providers
- Makes dedicated care available when you need it by office visit, phone, text and email
- Is affordable, with a low monthly membership fee, not billed through insurance

Direct Primary Care is ideal for those whose care needs are not being satisfied through a traditional medical model.

It is also a solution for individuals or families who are under insured due to high deductibles or high insurance premiums.

DFH is a member of the Midwest Direct Primary Care Alliance.

PERSONALIZED, COMPASSIONATE, PATIENT CENTERED, HEALTHCARE.
